

**Alternative to
the New World Order
(conspiracy theory)**

Javier Marzal (2017)

Trilogy of dystopias

- **Brave New World (Aldous Huxley, 1932)**
- **1984 (George Orwell, 1949)**
- **Fahrenheit 451 (Ray Bradbury, 1953)**

1984 (George Orwell, 1949)

Police State (Big Brother):

- **It forces us to think what he wants**
- **It watches us**
- **It exploits us**

These dystopias in the present

- They have not been fulfilled internationally
- The greater part, if it has been fulfilled in all the countries of the world

CONSEQUENCES

- **Everyday more abusive system**
- **Tax havens for politicians, rich people and companies**
- **Legislative corruption, executive corruption and judicial corruption**
- **Common, business and institutional crime**
- **Environmental deterioration**
- **Wars**
- **Poverty**
- **Dehumanization, radicalization, indoctrination and idiotization**
- **Mental disorders and suicides**

NEW WORLD ORDER

Reality or dystopia?

**The United Nations and the
European Union are at the
service of the stablishment**

**National sovereignty is
maintained, so there is no
New World Order**

**The politics uses international organizations
to overcome national sovereignty**

**There are structures and negotiations
that threaten to build the
NEW WORLD ORDER**
